Could we have a call to go through these two sections ? As of now I'm free all of Monday afternoon, November 2 if that suits everyone else.

Hi Jefferie,

Just left you a voice mail. I will inform Richard Jeng (I had spoken to him yesterday about this), per your email below, that he can release this money to fund other purposes this year. We will have this site on our books as a need for next year, and it will get funded depending on the availability of funds. So it may be a timing issue. Let me know if you have any questions.

Hi Jeff,

We need to have a determination by September 8th, whether you will be using the funds or not. Gold King Mine is in need of funds and management is looking for available funds. Please let me know if can make a final call by the 8th.

Thanks!
